Revised! Career Skills Library:

Teamwork Skills; 3rd Ed.

[Hardcover] The ability to work well with others is an absolute necessity in most workplaces, and Teamwork Skills, Third Edition is a useful guide to developing these fundamental skills. Teams have become the basic unit of productivity in today's businesses. With that in mind, this new book helps students understand the need for teams and how to achieve and encourage healthy team dynamics. Topics covered include developing people skills, effectively setting goals and negotiating, appreciating diversity among team members, and resolving team conflicts. New to this edition are true-or-false quizzes in every chapter as well as a new appendix of helpful Web sites. ©2009. Length: 176. Recommended: MS/HS

Character Education:

Handling Teamwork and Respect for Others

Teamwork is often the key to success in sports, school, business, and everyday life. If teammates do not respect themselves and one another, they will struggle to achieve their goals. Handling Teamwork and Respect for Others explores teamwork and respect as virtues, discusses contemporary and historic role models of teamwork and respect, and provides practical advice for readers to create successful, respectful teams. ©2009.
