The Daniels Fund Ethics Initiative Middle School Program delivers principle-based ethics education and reinforces the value of ethical business and personal conduct. This extends beyond philosophy and theory to real-world, practical application of ethical principles as a framework for personal and organizational decision-making.

Resources within the Daniels Fund Ethics Initiative Middle School Program are developed by MBA Research and Curriculum Center, a nonprofit consortium of state departments of education dedicated to supporting educators in the preparation of students for careers in business management, finance, and marketing.

### Currently available:

- Business Professionals of America (BPA) middle school competitive event model
- Future Business Leaders of America (FBLA) middle school competitive event model
- Crosswalk of MBA Research standards to BPA middle school competitive events

### To be developed over the next four years:

- Ethical Leadership course guide
- Career Exploration course guide
- Instructional modules
- Assessment tools
- Micro-credentials (digital badges)
- Professional development
