

Cut Scores for Exam-Based Digital Badges

MBA Research Digital Micro-credentials are awarded on the basis of criterion-based cut scores.

While not yet statistically validated, these cut scores are based on experience with comparable exams and with data collected during the content validation. Further, these criterion-based cut scores determine badges independent of other examinees.

Standard/Instructional Area (Level 1 and Level 2 exams):	80%
End-of-Course (Level 3 exams)	70%
Program-of-Study (Level 4 exams):	70%
A*S*K Certifications (Level 5 exams):
