The Daniels Fund Ethics Initiative Middle School Program delivers principle-based ethics education and reinforces the value of ethical business and personal conduct. This extends beyond philosophy and theory to real-world, practical application of ethical principles as a framework for personal and organizational decision-making.

Resources within the Daniels Fund Ethics Initiative Middle School Program are developed by MBA Research and Curriculum Center, a nonprofit consortium of state departments of education dedicated to supporting educators in the preparation of students for careers in business management, finance, and marketing.

Currently available:

- Ethics-focused instructional modules
- Ethical Leadership course guide
- Business Professionals of America (BPA) middle school competitive event model
- Future Business Leaders of America (FBLA) middle school competitive event model
- Crosswalk of MBA Research standards to BPA middle school competitive events

To be developed over the next three years:

- Career Exploration course guide
 - Instructional modules
 - Assessment tools
 - Micro-credentials (digital badges)
 - Professional development
- (See complete list on side 2)
