

Kentucky Futuring Panel 2023

Supply Chain Management & Logistics

Tuesday, May 23, 2023
9:00 a.m. – 3:00 p.m. ET

(8:30 a.m. continental breakfast;
lunch is also provided)

Kentucky Department of Education

Office of Career and Technical Education
300 Sower Blvd., 1st Floor
Frankfort, KY 40601

We are seeking supply chain management/logistics professionals to support KDE in the development of a supply chain management and logistics career pathway.

During the panel, business professionals will be guided to:

- Discuss trends impacting employees' needed skills and knowledge
- Validate current curriculum standards

Qualifications:

- Currently employed full time
- 3+ years of continuous experience in the career area

No advance preparation is needed.

The insights you give will be based on your professional work experience.

EDUCATION PARTNERS

MBA Research is partnering with the Business & Marketing program area in the Office of Career and Technical Education at the Kentucky Department of Education to conduct a Futuring Panel in May.

This panel of business and industry professionals will ensure that Kentucky's educational institutions are teaching the skills and content that matter most to employers now and in the years to come by reviewing and validating existing content standards for Supply Chain Management in Kentucky.
